**Building land for sale Drenje Istria 800
sqm**

z40034 - For Sale

80,000€

Istarska › Raša / Investment property, Land

Lovely building land for sale Drenje Istria, surface 800 sqm. The land is located about 600-700 m of air line from the sea and overlooking the sea. The land is located in eastern Istria in the village of Drenje, near the town of Labin and Rabac. Excellent location that will delight nature lovers especially those looking for a location for building a vacation home or villa with pool and sea view, views of Kvarner, the city of Rijeka and the islands.

Building land for sale Drenje Istria with building permit. Building permits allow construction of a modern design building/house with swimming pool.

Land area

800 m²

The infrastructure is nearby. (electricity, water). Distance to Labin approx. 9 km and to the beach about 2.5 km (about 4 minutes drive). Ten to fifteen minutes drive to the shopping center, gas stations, shops, kindergartens, schools and all other amenities.

Excellent price considering the possibility of building immediately and top location with lovely views.
